

Bilateral Consultative Commission

Decision on the Number of Launches of ICBMs and SLBMs Conducted in 2020, on Which an Exchange of Telemetric Information Will Be Carried Out in 2021

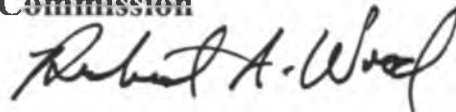

In accordance with paragraph 2 of Part Seven of the Protocol to the Treaty between the Russian Federation and the United States of America on Measures for the Further Reduction and Limitation of Strategic Offensive Arms of April 8, 2010, the Commissioner of the Russian Federation to the Bilateral Consultative Commission and the Commissioner of the United States of America to the Bilateral Consultative Commission decided that the Parties would exchange, in 2021, telemetric information on one launch of an ICBM or SLBM conducted by each Party during the period from January 1, 2020, to December 31, 2020.
